

L - Air filter elements

Part no.:: 315193

Product description: 0005 L 003 BN4

Characteristic	Value / Characteristic / Information
By-pass	no by-pass
Customer protection	without custom. protection
Element material	Betamicron low pressure
Element Type	L - Air filter elements
Filterfeinheit	3 µm
Further characteristics elem.	no further details
sealing material	Perbunan
Size	0005
